**NOTE:**

1. Parents must get done the Covid & and other due Vaccination for their ward during winter vacation. Vaccinated students must carry vaccination certificate and submit in the school office.
2. Anti-flu vaccination will be done at school.
3. Parents must insist on the English communication practice for their ward through regular reading and writing. Suitable H.W. to strengthen communication skills has been assigned to the students. Kindly ensure that your ward finishes it within due time.
4. Art-integrated project has been assigned to classes I-IX and class XI will have their investigatory project and completion of practical files. Parents are requested to ensure that the same is accomplished within the winter vacation period.
5. Fee reminder letter of the IV installment is handed over to all the students. Parents are requested to do the needful within the due date. (Not applicable to those who have already deposited the fee.)
