# ANNUAL FE'ITE

It was a day of revelry when SYNA celebrated its Annual Bonanza Fete on the 23rd of December 2023 inaugurated by the Honourable Principal of SYNA International School Dr. Aditya Kumar Sharma along with Dr. Bharti Sharma (Headmistress SYNA KIDS), Mr. Rishi Arora (Management Representative), escorted by Mr. Kamal Sarecha (HM Day boarders & Day scholars), Dr. Lokesh Dubey (HM Boarders) . The Annual Fete was a wonderful day filled with much fun and frolic, and community spirit-building activities. SYNA students eagerly wait all year for this event and are involved in its preparations from the get-go. The rides, games, well-decorated food arena, dancing and live entertainment were all extremely successful. The happy and cheerful faces would be seen everywhere. This year along with the regular Juke box stall, a Karaoke section was also arranged from where the budding talented singers of SYNA got an opportunity to showcase their talent. The event had 30 stalls comprising different games and delicacies that occupied the large gathering. The attraction in the gaming zone was a new game stall this year that was Drills with Tennis balls, where the players had batting drills with a Bowling machine and the speed could be arranged up to the player's demand. The stall was crowded with youngsters who highly enjoyed playing it. The other center of attraction was the ART EXHIBITION organized by Art Craft Teacher Ms. Shweta Pandey and Painting faculty Mr. Chandrashekar Pandey along with their students. Magnificent Paintings outstanding Artwork like Madhu Bani painting, Tissue Painting, Clay Art, and Glass Painting, which were made by students were displayed in the exhibition. The viewers highly appreciated the artwork of the students. There were many exciting prizes in the lucky draw organized later in the evening through the raffle tickets sold by the students and the staff. Every year the fund raised by selling raffle tickets is donated for a noble cause of sponsoring a girl child's education. The coordinator of the fete Mr. Shiv Kumar extended his gratitude towards the Management, Principal Dr. Aditya Kumar Sharma and the staff for the successful accomplishment of the task. The Chairperson of SIS Dr. Nidhi Pathak lauded and commended the staff and students on this colossal success.

# WINTER STUDY CAMP

SYNA International School organized a winter camp for students of class X and XII. It started on 25th December and ended on 6th January. Organizing a winter study camp for 10th and 12th- grade students from SYNA International School has been a great initiative to enhance their academic performance and provide a focused environment for learning. The objectives of this camp were to clarify the goals of the winter study camp, such as exam preparation, skill development, or specific subject focus and identify the key areas where students need additional support. All the students were given personalized attention. The schedule has been specially crafted and approved by experts. The Winter Study Camp was designed to create a conducive learning environment for students preparing for their upcoming exams. The school's well-qualified instructors conducted intensive sessions covering core subjects and addressing challenging topics. The carefully curated curriculum aimed at reinforcing key concepts and enhancing problem-solving skills. The camp wasn't limited to traditional classroom learning; interactive sessions, group discussions, and problem-solving activities were integrated into the schedule. Students actively engaged with instructors and peers, fostering collaborative learning and skill development. Specialized instructors from both within and outside the school contributed to the comprehensive educational experience. Continuous assessments were conducted throughout the camp to track students' progress and identify areas needing further attention. Instructors provided timely and constructive feedback, encouraging students to address any challenges they faced. The focus on individualized support contributed to a positive and growth-oriented atmosphere. Several success stories emerged from the Winter Study Camp, with students expressing increased confidence and proficiency in their subjects. Syna International School plans to build on this success, considering future initiatives to further enhance students' academic experiences.

This camp exemplified the school's commitment to holistic education. By combining focused learning, skill development, and a supportive environment, the camp provided students with valuable tools to excel in their academic pursuits. As students return to their regular classes, the positive impact of the Winter Study Camp is expected to resonate throughout the remainder of the academic year.

## A VISIT TO THE FARM HOUSE

On 31st of december we had fun by staying at Sharma's farm house. It was a one night stay with parents and my friends. Me, Kynaa, Meher, Aahana and Pariyat played some stone games such as "MAKHAN CHOR", then we danced on our favourite songs with our parents. We had our meals and again played some games and it was 2024. Every one wished each other HAPPY NEW YEAR. We slept for 5 hours, in the morning we went on a walk at the farm, picked up some guavas and lemons. We enjoyed on the swings. It was really fun there and it was time to go home.

चलो आज एक नई पहल की शुरुआत करते है,  
जो बंधन रूपी पक्षी मन में कैद है उन्हे आज़ाद करते है।  
चलो आज कुछ नया सीखने का प्रयास करते है,  
अपनी उदास भरी जिंदगी से थोडा बस थोडा उपहास करते है।  
एक सपना दबा रखा है हमने, सपनों की पुस्तक मे,  
उन्हें पूरा करना है बस यह बैठा लो मस्तक में।  
"आज नही कल करूंगा ", पूरा वक्त गुज़र जाएगा ,  
समय नहीं रुके किसी के लिए, तू बस पछताता रह जाएगा ।  
बस यही समय ही अच्छा है तुम लग जाओ अपने काम में,  
कर सफलता हासिल एक पहचान बनादो आवाम में।

## TECHNOLOGY

Albert Einstein once said, "It has become appallingly obvious that our technology has exceeded our humanity. Modern technology has brought the curse of pollution to the Earth, its marine ecosystem and its habitats. Technology has made us sluggish and unproductive due to its added conveniences, keeping us from unlocking our full potential. Technology is making our next generation lethargic and prone to diseases. Technological innovation is causing unemployment. The advancement of technology is good news for businesses to make more money while terrible news for employees as they become redundant. More and more people are getting replaced by AI, robotic counterparts and automation software. We should be concerned about our privacy with every new technological development. The internet is fertile territory for malevolent forces to operate. It's become much harder to have personal privacy in the digital world and that's on top of the dangers of your data being stolen or sold.

● बड़ी दूर से आए हैं,  
जिंदगी के करीब आए हैं।  
● जो छूट गया उसका क्या मलाल करे  
जो हासिल है चल उससे ही सवाल करें हम।  
बहुत दूर जाते हैं यादों के काफ़िले फिर क्यों पुरानी  
यादों में सुबह शाम करें हम।  
माना एक कमी सी है, जिंदगी थम सी गई है।  
पर क्यों दिल की धड़कनों को दरकिनारे करें।  
मिल ही जाएगा जीने का कोई नया बहाना,  
आ जरा इत्मीनान से किसी खास का इंतजार करें।  
छोटी सी है जिंदगी हर बात में खुश रहो ,  
जो चेहरा पास ना हो, उसकी आवाज में खुश रहो।  
कोई रुठा हो आपसे, उसकी आवाज में खुश रहो ।  
कल किसने देखा है, अपने आज में खुश रहो ॥

ओ नारी ! कैसे कह दूं, तुम कुछ नहीं हो  
ज्ञान जो चाहें सरस्वती तुम, मान जो चाहें लक्ष्मी हो तुम  
अपराधों का साया छाये धरती पर, तो काली -दुर्गा का रूप हो तुम  
ओ नारी ! कैसे कह दूं, तुम कुछ नहीं हो ।  
खुशियों का संसार तुम्हीं से, जीने का आधार तुम्हीं से  
बंद होते और खुलते भी हैं, दुनिया के दरबार तुम्हीं से  
ओ नारी ! कैसे कह दूं, तुम कुछ नहीं हो ।  
प्रेम की शुरुआत तुम्हीं से, जीवन का आगाज तुम्हीं से  
ये जहां है जगमग सूरज से, सूरज की चमकार तुम्हीं से  
ओ नारी ! कैसे कह दूं, तुम कुछ नहीं हो ।  
कभी कठोर-कभी नेक हो तुम, हर रिश्ते में बस एक हो तुम  
ममता-शक्ति और मुहब्बत, नारी तुम एक हो मगर अनेक हो तुम  
ओ नारी ! कैसे कह दूं, तुम कुछ नहीं हो ।  
आन-बान और शान तुम्हीं से, संस्कारों की खान तुम्हीं से  
दर्द-त्याग और ममता की है, संसार में पहचान तुम्हीं से  
ओ नारी ! कैसे कह दूं, तुम कुछ नहीं हो ।

# **SYNA : A DREAM DESTINATION FOR LEARNING**

SYNA International School has developed a prominent name in the education world by providing quality education and global learning to its stakeholders. The School was started in the year 2007 and is affiliated to Central Board of Secondary Education (CBSE). It is situated at the geographical centre of the country, Katni, Madhya Pradesh. The School has been ranked amongst the Top 100 schools of the country. The British Council International School Awardee is a day-cum-boarding English medium school with a magnificent school building and extensive sports grounds.

SYNA has the state-of-the-art facilities, technologies and infrastructure to optimize teaching and learning outcomes. The School promotes the all-round development of children by facilitating their learning in an exciting, inspiring, challenging and innovative environment. The School has outstanding infrastructure like Spacious and well ventilated Classrooms, most modern laboratories for Physics, Chemistry and Biology and the specialist teaching rooms for Art, Music, Social Science, Languages, Computer Studies, and Mathematics are equipped in accordance, Playground and Learning Centre with access to periodicals and audio-visual resources.

The ethos and culture of the school is based on the supreme objective of learning or the exploration of innate treasure in an individual. The School concerns itself with education of the total human being. Knowledge and intellectual capability alone are not sufficient to meet life's challenges. The core intention of the school is to facilitate learning to enquire, to observe oneself, to relate with other people, constantly questioning, with the intention of creating an environment, a climate where one can bring about, if at all possible, a true human being.

The school sincerely attempts to translate this intent by adopting the following:

- Nurture sensitivity and compassion
- Relationship between the student and the teacher- is human to human rather than position to position.
- Emphasis is on learning and facilitation and not teaching and absorbing.
- Recognize the fact that each child is unique and one size does not fit all!
- Look beyond academic excellence – teacher and taught explore not only the outer world but also the inner – conditioning, ways of thinking and behaviour.
- Art, music, dance and sports form an integral part of the learning process.

The purpose, the aim and drive of SYNA International School is to equip the child with the most excellent proficiency so that he may function with clarity and efficiency in the modern world, and far more important to create the right climate so that the child may develop fully as a complete human being. This means giving him the opportunity to flower in goodness so that he is rightly related to people, things and ideas, to the whole of life. To live is to be related. There is no relationship to anything if there is not the right feeling for beauty, a response to nature, to music and art, a highly developed aesthetic sense. It is imperative therefore that parents and students understand and appreciate the intention of the school and actively participate in this movement.
