

SYNA INTERNATIONAL SCHOOL, KATNI

SYNA SAINIK SCHOOL, KATNI “TERM END LETTER”

APRIL 22, 2024

Dear Parents and Guardians,

As we culminate another term at SYNA International School, we want to take a moment to reflect on the incredible journey we have had this term. It has been a privilege to watch our students grow and thrive academically, socially, and emotionally.

This term, our students have demonstrated resilience, creativity, and a commitment to learning that has been truly inspiring. Whether it was through participating in classroom discussions, engaging in extracurricular activities, or supporting their peers, each student has contributed to our vibrant school community in their unique way.

We would like to express our gratitude to all parents and guardians for their continued support and partnership in their child's education. Your involvement, whether it was attending parent-teacher meetings, volunteering your time, or simply encouraging your child at home, has played a crucial role in their success.

The new session of 2024-25 has begun from **8 April 2024** with new aspirations and goals. SYNA welcomes all the students, parents and staff joining the SYNA family from this year. The school looks forward to a fruitful and rewarding association.

It is our utmost endeavour at SYNA to groom our students for the challenges of tomorrow. We want to equip them with right values and virtues so that they face the challenges of life with dignity and strength. In our pursuit of providing a holistic education to our students as recommended by the New Education Policy (NEP) 2020, we have espoused significant changes in the teaching methodology and curriculum incorporating the latest innovations in pedagogy that give the students an opportunity to learn by doing. Encouraged by the admiration and appreciation for the Nature Nurture Curriculum in Primary School, SYNA has adopted the activity-centred learning approach in the middle school too by implementing the Next Education Curriculum from this year. Some of the highlights of Next Education include advanced audio-visuals, simulations and hands-on activities to delight and creatively engage the learner. Sports and co-curricular activities are already an integral part of the school culture which lay the foundation for the development of all round personality of the students.

Kindly make a note of the few important points below:

1. Summer vacation begins from **Wednesday, 24 April 2024** and will end on **Tuesday, 18 June 2024**.
2. Parents must get done all the necessary medical check-ups/vaccinations of their ward during the summer vacation.
3. The school has assigned creative projects and holiday homework to the students in order to ensure a continuity in their learning. Kindly insist on your child making a daily schedule to finish holiday assignments, also improve on handwriting and spelling by practicing daily. Please guide and encourage your ward to go beyond the assigned holiday homework and update with current affairs and news around the world. Soon after the vacation Cycle Tests will be conducted, please ensure that your child utilizes the time available to him on revising the syllabus completed in April and prepare for the exam.
4. Books are our best friends. It is very crucial that we inculcate reading habits among the students. Please encourage reading of books and the newspaper at home during the vacation period.
5. The boarders need to report on **Tuesday 18th June 2024** latest by **5 pm**. Please ensure timely reporting of your ward to the school. Late reporting will seriously hamper the studies.
6. Normal classes will begin from **Wednesday 19th June 2024**.
7. The important inter house activities and Cycle Tests will ensue subsequently.

8. Parents must ensure that their ward is not carrying anything which is restricted in the hostel. Students are not allowed to bring mobile phones to school. If any student is found with a mobile phone in his / her possession, the same will be confiscated. The school has EPABX system of communication in the hostels. A boarder is allowed maximum 15 minutes of communication with the parents on every Sunday. We request parents to ensure that their ward abides by school rules.
9. The school will organize its 17th Foundation Day and Investiture Ceremony on **9th of July 2024**. The student council of 2024-25 will be instituted on this day.
10. You will soon receive the planner for the session 2024-25, which gives the details of tests/examination, competitions, activities, the list of holidays and the dates of the Parent Teacher Meetings. Kindly strictly adhere to the year planner.
11. All parents must check the school website for regular updates. The parents can access circulars, handouts, home works and important messages on the school web portal.
12. The school feels immensely pleased to apprise you that from this year we have begun with admissions in SYNA Sainik School in class VI for the session 2024-25. We will appreciate if you, as brand ambassadors of SYNA, recommend the school to your acquaintances.
13. The timely payment of the school fee as per the schedule mentioned will be much appreciated:
 - a) First Quarter: latest by **10th of April**
 - b) Second Quarter: latest by **10th of July**
 - c) Third Quarter: latest by **10th of October**
 - d) Fourth Quarter: latest by **10th of January**

You may contact the Accounts department (+919399827278) for verifying the pending dues. You may also opt for online payment in any of the accounts mentioned below:
HDFC Bank Ltd. Account No. 50100302364022 IFSC-HDFC0000732,
AXIS BANK Account No. 317010100116213 IFSC-UTIB0000317

Finally, I must once again thank you for your continuous support in all our endeavours and hope the same from our new parents as well who are joining the SIS family from the session 2024-25. As we look ahead to the next term, I am excited about the opportunities and challenges it will bring. I am confident that with your continued support, our students will continue to excel and reach new heights.

Wishing you all a restful and enjoyable break. We look forward to welcoming our students back refreshed and ready for another term of learning and growth. We will keep in touch with you throughout the year through the school web portal, ERP and the almanac.
