CHAIRPERSON'S MESSAGE

"Some build walls, we build wings. At Syna, education is not a destination, but a beautiful beginning."

Syna International School was born from a heartfelt vision—to create not just an institution of learning, but a sanctuary of growth, imagination, and purpose. Here, every child is seen not as a student, but as a story waiting to unfold, a spark waiting to shine. In a world that is ever-evolving, our mission is clear: to nurture minds that can think deeply, act compassionately, and lead boldly. We aim to build visionaries with values, blending the best of global education with the richness of our Indian ethos.

Our campus is more than just bricks and books—it is a living, breathing space where ideas are born, dreams are nurtured, and confidence takes flight. From our passionate educators to our dynamic leadership team, every member of the Syna family is united by one purpose: to empower each child to discover who they are and all they can become. As we continue to grow and evolve, we remain rooted in the belief that education is the most powerful gift we can give to the future. I invite you to be part of this extraordinary journey—where learning is alive, possibilities are endless, and every child is encouraged to soar. Welcome to Syna—a school where brilliance is not just taught, but awakened.

Dr.(Mrs). Nidhi Pathak (Chairperson)

MOTTO

SIS is a community of learners that work and grow together to serve one another. Our curriculum expertly integrates practical and artistic disciplines into everyday academics. Students are taught to follow their interests, develop an imaginative mind and work in a team environment.

At SIS, every student is empowered to not only excel academically but also make meaningful contributions to their communities, creating a lasting impact that goes beyond the classroom.

VISION

Syna International School is a unique educational Institution with the motto **"TOGETHER WE SHALL"**.

SIS provides exceptional effort of imparting education combined with modern state of the art technology and expertise. The mission behind this boarding cum day-boarding school is to provide systematic and holistic educational opportunities to the young minds in the most cultivable environment. Our vision is to prepare confident, determined and disciplined leaders for tomorrow's challenging World.

To be a center of excellence in education and with a reputation of creating future oriented global youth, who adorn the society with their scholastic achievements and possess an invincible drive to excel in every sphere of life, SIS has cultivated an environment which provides its' students intellectual exposure with many avenues to reach their goals successfully and express their creativity and talents. We make leaders out of our pupil who go on to live enlightened and productive lives as responsible citizens.

Our aim is not only to impart knowledge but also to ignite curiosity and inspire a lifelong love for learning. As Aristotle said, "Educating the mind without educating the heart is no education at all." We ensure our students grow in character, empathy, and resilience. Through our holistic approach, we make leaders out of our pupils—leaders who will not only succeed but also uplift those around them.

At SIS, we are committed to shaping responsible citizens who will lead enlightened and productive lives, contributing meaningfully to the global community.

MISSION

PRINCIPAL'S MESSAGE

*At Syna we spark,
not just teach,
Fueling dreams within
each reach.
Where minds explore,
and hearts ignite,
And every step leads
into light.*

Dr. Aditya Kumar Sharma
Principal

We, at Syna, work on the overall development of the child since we ardently believe in the holistic development of our learners... in mind, body and spirit... beyond the acquisition of knowledge and the scoring of grades. We strongly believe that Experiential Learning paves the path to self-discovery. I consider it not just my duty but also my passion to provide all Synaites with opportunities to be on such a path.

Imbibing a sense of gravitas for sports, culture, environmental awareness and scholastic excellence among all learners has always been our top most priority. Students get exposed to such avenues and are motivated to take part in various sports and cultural events. Synaites look forward to coming to school every day, as learning is an adventure here, with something new and exciting to engage and stimulate them. Given that the milieu at our school is encouraging for learners, even the pandemic could not overwhelm either our students or our teachers.

We saw opportunity in adversity and adopted new methods for imparting education, instilling values in our students and successfully kept them engaged in positive and productive learning endeavours. Our impressive academic results in past years are a testimony to the hard work teachers are putting in to ensure our children excel and learn in a conducive, supportive and motivating environment.

Our students' achievements in various sporting events speak volumes about the sports facilities and training provided here at our school. Right from primary school, our scholars get groomed to present scientific experiments, take part in youth parliaments and diverse co-curricular activities. They are engaged in community service that helps them understand for themselves the school's motto, 'Together We Shall.' We, at Syna, believe that every child is unique and that the right blend of education, experimentation and exposure, will take them places. We see our school parents as equal partners in this endeavor and encourage them to engage excitedly in their child's journey here in close collaboration with teachers.

Dr Aditya Kumar Sharma
Director-Principal
Syna International School, (Katni) M.P.

PRIMARY EDUCATION

The Nature Nurture Curriculum seamlessly integrates the core principles of the National Curriculum Framework (NCF) with the dynamic requirements of an International School Curriculum. It sets clear learning standards with well-defined goals and outcomes, ensuring that students develop critical thinking, creativity, and a global outlook.

Covering diverse domain areas, the curriculum aligns the primary school framework, materials, and resources with international benchmarks, fostering not just academic excellence but also the holistic development of each child. This approach prepares students to thrive in an ever-evolving world while staying rooted in strong values.

ACADEMIC DISTINCTION REDEFINED

At Syna International School, academic excellence is not just a goal—it's a way of life. With an unbroken record of 100% success in board examinations, we continue to set benchmarks in education. This achievement reflects our students' unwavering dedication, our faculty's commitment, and a curriculum designed to challenge, inspire, and nurture.

Our academic program goes beyond textbooks, cultivating critical thinking, creativity, and a growth mindset. Whether it's cracking national-level competitive exams like JEE, NEET, and CLAT, or succeeding in fields like Design, Architecture, Mass Communication, and Law, Syna students consistently rise to the occasion.

Backed by dedicated mentorship, state-of-the-art resources, and a culture that celebrates hard work and innovation, our students graduate not just with high scores, but with a vision for the future and the confidence to lead.

TECH-ENABLED LEARNING

At Syna, classrooms are transformed into digital ecosystems of discovery. Equipped with smart interfaces, real-time connectivity, and immersive ed-tech tools, learning becomes an experience that excites and empowers. Our educators, continually trained in emerging technologies, craft dynamic, multi-sensory lessons that foster curiosity, collaboration, and critical inquiry. Here, technology isn't just an aid — it's a learning accelerator, turning abstract ideas into tangible understanding and preparing students for a future-forward world.

INSIGHTFUL ASSESSMENT

Assessment at Syna is transformative, not transactional. We believe in cultivating reflective scholars who are attuned to their own learning rhythms. Through goal mapping, self-monitoring, and adaptive feedback loops, students evolve from passive receivers to active architects of their progress. Our assessment practices emphasize growth over grades, nurturing resilient, self-aware individuals ready to embrace challenges with insight and intention.

BEYOND THE CLASSROOM

Where Curiosity Meets Possibility

At SYNA, education transcends the conventional confines of chalk and board. We believe in nurturing the whole child—intellectually, emotionally, physically, and socially—through an expansive co-curricular program that fuels creativity, cultivates character, and inspires innovation. Whether it's the precision of archery, the expression of visual arts, the imagination behind robotics, or the joy of culinary craft, our students immerse themselves in activities that ignite passion and shape holistic personalities. Regularly scheduled, thoughtfully curated, and driven by expert facilitators, these engagements transform interests into lifelong skills.

ADVENTURE ACTIVITIES

Where Courage Meets Curiosity

At SYNA, adventure is not an escape from learning—it's an extension of it. Through annual Adventure Camps, students embark on transformative journeys that test their mettle and build resilience. Activities like paragliding, hot air ballooning, trekking, cycling, and river crossing foster leadership, risk assessment, and team spirit. These thrilling encounters are curated to strengthen confidence, self-discipline, and decision-making skills—equipping students to face life's challenges with courage and grace. Every adventure at SYNA is a chance to conquer fears, celebrate achievements, and discover the leader within.

GLOBAL GATEWAYS BRITISH COUNCIL COLLABORATION

SYNA International School's dynamic alliance with the British Council through its International Dimension in Schools (IDS) program acts as a powerful conduit for fostering global consciousness and cultural literacy among students. By actively engaging in international collaborative activities, learners explore global issues, develop multilingual awareness, and cultivate intercultural empathy. These experiences help students emerge as responsible global citizens with broadened perspectives and a sense of accountability towards the world. Our repeated recognition by the British Council underscores our unwavering commitment to excellence in international education.

GROOMING FUTURE LEADERS

Instilling Vision, Values, and Voice

Leadership at SYNA is not reserved for the future—it is nurtured in the now. Through dynamic student-led councils, well-defined responsibilities, and mentorship from visionary educators, students are empowered to lead with purpose, integrity, and courage. From Head Boy/Head Girl roles to House Captains and Prefects, every leadership opportunity is a platform for self-discovery, decision-making, and active citizenship. These formative experiences equip our students to be visionary thinkers, empathetic communicators, and impactful change-makers in an evolving world.

HOLISTIC GROWTH

Cultivating Every Facet of Human Potential

At SYNA, education is not confined to academic excellence alone—it is a symphony of the heart, mind, body, and soul. Our holistic philosophy integrates intellectual pursuits with emotional intelligence, ethical values, physical vitality, and social awareness. By embracing experiential learning, cross-disciplinary inquiry, and evolving pedagogy, we empower students to become empathetic leaders, critical thinkers, and grounded global citizens. Our ever-adapting curriculum, enriched with co-curricular and life-skill programs, ensures each learner emerges as a well-rounded individual equipped for real-world challenges.

BOARDING: A HOME BEYOND HOME

Living, Learning, and Growing Together

The SYNA Residential Campus is more than just a hostel—it is a nurturing sanctuary where young minds flourish amidst camaraderie and care. A diverse tapestry of cultures comes together under one roof, creating a community of inclusivity and mutual respect. With separate, secure accommodations for boys and girls, the hostel provides a structured yet warm environment that fosters independence, discipline, and emotional well-being. Wardens serve as mentors, guiding students through their academic and personal growth. Facilities like television rooms, recreational spaces, reading lounges, and self-study zones offer a balanced and enriching lifestyle—where every child is known, valued, and supported.

SYNA MESS NOURISHMENT WITH NURTURE

Wholesome Meals, Heartfelt Moments

At SYNA, we believe that food is not just fuel—it's an experience that fosters well-being, community, and care. Our spacious, meticulously maintained dining hall is a vibrant space where students come together to enjoy nourishing meals in a warm, homely atmosphere. The kitchen, overseen by a dedicated mess committee and professional culinary staff, upholds stringent standards of hygiene, safety, and quality.

Every dish is crafted using fresh, seasonal, and locally sourced ingredients, thoughtfully planned to cater to varied nutritional needs and taste preferences. Whether vegetarian or non-vegetarian, the menu reflects both tradition and variety, combining comfort food with health-conscious options. From regional flavors to occasional festive treats, every meal is a celebration of balance and flavor.

More than just a place to eat, our mess is a hub of social interaction and discipline. Students learn dining etiquette, respect for food, and the joy of shared experiences. Regular feedback sessions ensure that student voices shape the dining experience, creating a sense of ownership and inclusivity. Here, every plate served is not only a promise of nutrition but a gesture of care, connection, and community.

WELLNESS PROGRAM

Health at the Heart of Education

At SYNA, holistic well-being isn't just a priority—it's a promise. Our 24/7 medical facility stands as a pillar of reassurance for students and staff alike, offering expert care within the safety of campus. The infirmary is fully equipped with the latest diagnostic tools, oxygen supply units, and essential emergency medications. A resident nurse, visiting physicians, and an on-call ambulance ensure readiness for any scenario. For critical needs, an 'air-ambulance' service is also accessible. Beyond reactive care, we emphasize preventive health through regular checkups and wellness workshops. A future-forward 20-bed hospital is also in the pipeline—symbolizing SYNA's unwavering commitment to nurturing both mind and body.

EXTENSIVE GREEN CAMPUS

Learning in Nature's Embrace

SYNA is more than a school—it's a sanctuary where students grow in harmony with nature. Spread across a verdant landscape, our eco-conscious campus breathes life into every learning experience. From solar energy usage to plantation drives and biodiversity walks, sustainability is woven into the everyday rhythm of school life. Far from urban chaos, yet rich in connectivity, our green zones inspire mindfulness, creativity, and a deep respect for the Earth. Here, education flourishes amid fresh air, open skies, and the rustle of leaves—creating an environment where both academics and awareness thrive.

Our Alumni, Our Pride

At Syna International School, the journey doesn't end with graduation—it begins a lifelong legacy. Our alumni have spread their wings across the country, soaring high in diverse fields such as civil services, armed forces, medicine, engineering, entrepreneurship, law, arts, and education. From serving in top administrative posts in New Delhi to making medical breakthroughs in Bengaluru, leading corporate firms in Mumbai to protecting the nation in remote borders of the northeast—our alumni exemplify the spirit of excellence nurtured within these very walls. Each success story is a living testimony to the school's holistic education, character-building ethos, and relentless pursuit of all-round development. They carry the Syna values with pride, and wherever they go, they leave a mark of integrity, innovation, and inspiration. They are not just alumni—they are ambassadors of our legacy.

ECHOES OF EXCELLENCE

UNITY IN DIVERSITY, LEARNING IN HARMONY

At SYNA, the map of India comes alive—not in textbooks, but in our very classrooms. From the snow-kissed valleys of Jammu & Kashmir to the lush landscapes of Kerala, from the tribal heartlands of Chhattisgarh to the coastal stretches of Odisha, our students bring with them the unique essence of their states—creating a vibrant cultural blend within our classrooms. With students hailing from states as varied as Rajasthan to Assam, Maharashtra to Manipur, and Gujarat to West Bengal, our classrooms are alive with a beautiful blend of languages, traditions, and perspectives. This national footprint of admissions reflects our reputation for academic excellence, disciplined environment, and value-based education. Here every student finds a second home—where differences are celebrated, friendships are borderless, and learning goes beyond textbooks to embrace unity, respect, and national integration. Our diverse student community is a living example of our motto: Together We Shall

SYNA SAINIK SCHOOL - HONOUR DISCIPLINE EXCELLENCE

Forging the Future Guardians of the Nation

SYNA Sainik School, established under the National Education Policy (NEP) and in collaboration with the Ministry of Defence, is committed to shaping future leaders through a blend of academic excellence and military discipline. Every cadet is trained to uphold patriotism, integrity, and leadership—from pre-dawn drills to structured classrooms.

A Campus That Builds Character

- Affiliated in 2023, SYNA Sainik School welcomed its first batch in 2024–25, marking a new milestone in defence-oriented education in Central India.
- With state-of-the-art infrastructure, ex-servicemen mentors, and a value-driven environment, the school fosters well-rounded individuals ready to take on the challenges of life—both in uniform and beyond.

Pathway to Patriotism: How to Join SYNA Sainik School

Joining SYNA Sainik School is a journey of aspiration, determination, and excellence, beginning with a national-level competitive exam.

1. National Entrance Examination (AISSEE): Admission is granted through the All India Sainik Schools Entrance Examination (AISSEE), conducted by the National Testing Agency (NTA) for entry into Classes VI and IX.

2. Timeline & Key Dates: Application Forms Open: November–December

Entrance Exam Conducted: January

Results, Medicals & Final Selection: February–March

3. Eligibility: Class VI: Age 10–12 years as of 31st March of the admission year

Class IX: Age 13–15 years and currently in Class VIII

4. Selection Process: Written Exam (AISSEE), Medical Fitness Test, Merit-Based Admission

5. How to Apply: Online registration at: <https://aissee.nta.nic.in>

Download admit card, appear for exam, await results

Attend counselling and complete admission formalities at SYNA Sainik School

6. Required Documents: Birth Certificate, Domicile Certificate, Academic Records, Medical Fitness Report, Caste / Category Certificate (if applicable)

7. Reservation Policy: As per government norms for SC/ST/OBC (NCL)/Defence categorie.

SYNA Sainik School instills discipline, purpose, and patriotism through NCC training, character-building, and NDA/CDS guidance—moulding young minds into mission-ready citizens who stand tall and lead with pride.

SYMPHONY OF LEADERSHIP: THE DYNAMIC HIERARCHY OF SYNA

At Syna, leadership is a symphony—each role playing a vital note in the melody of excellence. At the forefront is our visionary founder, Shri Sanjay Satyendra Pathak, Honourable Minister of State and esteemed mine owner, whose dream brought world-class education to Katni. Steering this vision with wisdom is our Chairperson, Dr. (Mrs.) Nidhi Pathak, whose nurturing leadership fosters innovation and inclusivity. Our Principal, Dr. Aditya Kumar Sharma, serves as the academic compass, ensuring that learning remains vibrant and future-focused. Under his guidance, two committed Headmasters - one for Boarding and one for Day Boarding / Day School - along with the Primary Coordinator, uphold discipline, well-being, and academic rigor. Academic and Sports Coordinators streamline curriculum execution, while Heads of Departments lead with expertise, nurturing subject-specific excellence. At the core are our passionate Educators, who inspire, guide, and shape every learner.

Together, this dynamic hierarchy fuels Syna's mission: to enlighten minds, build character, and nurture tomorrow's leaders.

ENVISIONING TOMORROW

Where Innovation Meets Aspiration

At SYNA, we are crafting a future where every brick builds brilliance. Our upcoming ventures are designed to ignite potential, elevate wellness, and cultivate creativity—empowering students to thrive in a dynamic world.

Olympic-Grade 400m Synthetic Track

Iconic Auditorium : A cultural epicenter with modern acoustics—where voices rise, stories unfold, and talent takes center stage.

ICampus Health Hub: 20-Bed Modern Wellness Centre : Equipped for care, built for assurance—offering round-the-clock medical support within campus.

Next-Gen Dining Hall for 700 : A nourishing nexus blending nutrition, community, and culinary excellence in a vibrant setting.
